

The Word Of Life

Inside this issue:

Can You Attend Church and Go To Hell?

House of Prayer

What Is A Saint?

Can You Attend Church And Go To Hell?

still be candidates for God's heavenly kingdom. The church was established so that believers could come together in unity to pray and praise our God and to know the expected end of our lives. Joining a church does not give us access to God's kingdom. The only way we can have access to the kingdoms of God we must let Jesus come into our hearts.

unto him. If a man love me, he will keep my words: and my Father will love him, and we will come unto him, and make our abode with him.

There are millions in church, but they haven't accepted Jesus as their Lord and Savior. Once we have accepted Him then both He and the Father will come and live within that individual, its call being born-again.

There isn't a person that haven't sinned. We all have sinned and came short of the glory of God, but as a Christian believer we shouldn't practice sin. According to the word of God if we sin willingly there's no more forgiveness for sin.

Hebrews 10:26

For if we sin willfully after that we have received the knowledge of the truth, there remaineth no more sacrifice for sins.

One of the purposes of attending church other than to come and worshiper Him is to be taught by the man or woman of

God to lead the people out of Egypt. Egypt is a type of the world. Just as God ordained a man to lead them out of Egypt He is still ordaining men and women of God to lead His people out of the land of Egypt. The only way we can be lead out of Egypt we must attend church to hear how to be lead out and once we've been lead out what must we do to stay out of the land of Egypt!

Every time we attend church or have the word of God spoken to us in what ever form whether its by the preacher, television ministry, radio ministry, billboards, tract or one of God's labors we're held responsible for what we have heard, seen or been taught whether or not we apply it to our lives.

Can you attend church and go to hell? The answer is yes because there will not be an excuse or a justification for our sin once we have heard the truth. I wouldn't attend church faithfully and not apply the word of God to my life faithfully. We cannot serve God and serve Satan. We're going to either love one and hate the other, we can't have both of them according to the word of God. We will hold on to one and despise the other one. Many Christians are still holding on to their sins, they will not let them go so that they can have liberty in Jesus.

1 st Corinthians 6:9

Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind. Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God.

Apostle Paul was informing the believer of those that would not inherit the kingdom of God. He was letting them know although they might profess Christianity or they may say they believe, but if they were committing any of the above they wouldn't inherit the kingdom of God. Some how some of us believe that we can do whatever want and

Revelations 3:20

Behold, I stand at the door and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me.

Many times people join the church, but they don't join themselves with Christ to become one with Him and the Father. When we open the doors to our heart the Father and the Son will come and live in our mortal bodies.

John 14:23

Jesus answered and said

God has given us instruction how to live according to His will and its called the Bible. He has left His word for us to read and study. His Son ordained Apostles, Pastors, Prophets, Teachers and Evangelist to teach His people until they came into the unity of the word of God.

Ephesians 4:13

Till we all come in (into) the unity of the faith, and of the knowledge of the Son of God, unto a perfect (mature) man, unto the measure of the stature of the fullness of Christ.

In order for the body of Christ to be strong the church must be strong. If you have a weak body of believers you have a weak church. This is why we don't see the manifestation of the Spirit of God moving in the midst of us as he did with the Saints of Old because of hypocrisy.

Apostle Paul made a list of sins that would hinder us from inheriting the kingdom of God. There is a heavenly kingdom and there is an earthly kingdom where he dwells in the bodies of His servants. We cannot inherit either one of these if we have not been born of the Spirit of God. Attending church and still in our mess will cause us to be enemies of God instead of His children. The last thing we should want to do is make enemies with God!

Either we're going to love Him and obey Him or we're going to hate Him and disobey Him. God has given us instructions to live by and we have a choice to either obey or disobey. If we obey not only shall we have joy in the New Jerusalem, but He will give us peace and joy as well as prosperity here on earth. We don't have to die in order to enjoy the Lord. We can have the blessings of God here on earth prior to our ascension to God, but in order to receive the blessings of God, we must line up with the word of God. Apostle Paul was defining those that will not inherit the kingdom of God, let's look and hopefully we will not find ourselves in any of them, but if we do find ourselves, pray, repent and don't return to a sinful life style.

Fornicator (Greek – pornos) sexually immoral person, illicit sexual intercourse, harlotry.

When we hear the word of God and we disobey, God will recompense us for our disobedience. It's a shame some would miss being in heaven for eternity for a two or three minute thrill. The bible states that fornicators will not inherit the kingdom of God and that indicates both heaven and His Holy Spirit dwelling within us. God is not going to give His Holy Spirit to those that are committing fornication because He said He would not dwell in an unclean temple.

The temple of God should be holy. God only dwells where there is holiness. To many times we want to serve God, but we also want to serve Satan. I can't say sin isn't fun, if it wasn't so people wouldn't be enjoying it, but what comes with pleasure also comes death

when pleasure is ungodly. We can't serve God in the beauty of holiness if we're committing fornication. God is not excepting our praise because we're not worshipping Him in the beauty of holiness.

The bible was written for us as the people of God to know what is required of us. It's not about what we think, its about what God has instructed us to do and that's according to what the Bible says, the instructions in the bible is for every nationality in the universe. On the spiritual side, fornication is pagan worship. In the Old Testament, God instructed the children of Israel not to associate themselves with the gentiles which meant any people that wasn't Jewish and who did not worship Jehovah. When God delivered the children of Israel from the hands of the Egyptians by the hands of Moses he instructed them not to associate themselves with the inhabitants of the land which was the Amorites, Canaanites, Hittites, Perizzites, Hivites and the Jebusites because they worshipped pagan gods. They sacrificed their children and virgins to their gods. They worshipped the moon, stars, rain and images. They had orgies and committed all types of abominable acts in their worship. God instructed the children of Israel to serve no other god but him.

Exodus 34:14

For thou shalt worship no other god: for the Lord whose name is Jealous, is a jealous God.

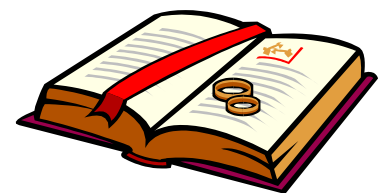

God didn't want them defiling themselves with people that dishonored His holiness. There is a difference between Religious and Christianity.

Many of us are running buddies with religious people. Religious people are those that go to church faithfully, but they still have premarital sex, some will act as though their your friend and will be sleeping with your spouse. Religious people are those that are living in common law, but feel as though God is blessing them in their mess. Others are committing pornography, drinking, drug users, incestors, homosexuals, but yet they attend church faithfully and expect to be heaven bound. Those that have been sanctified to Christ cannot be committing such acts or have running buddies that are committing these acts. "Birds of a feather, flock together". Some are calling Ms. Cleo for her to prophesy lies others are placing their trust in lotto when they should be placing their trust in God. We're associating ourselves with uncleanness and God have told us to make a difference between clean and unclean, holy and unholy.

Leviticus 10:10

And that ye may put difference between holy and unholy, and between unclean and clean.

Some of us are doing the very opposite of what God has told us not to do. We hear preaching and teaching of the Gospel and we rejected it because its seems constricted when the word of God has already told us in order to enter into heaven we must take the straight gate which is a narrow path meaning very confined, but if we go through the straight gate we have a promise that we will enter into heaven gates.

Idolater (Greek –eidolatress, image worshiper)

As a Christian we must not let any thing separate us from the love of God. God will never stop loving us, but we stop loving Him by falling away from the things He has instructed us to live by. Although God loves us He will discipline us for our disobedience. Whatever we place before God is an idol whether its our spouse, children, parents, job, house, car, money, education or our self wills. Having idols will cause us to miss the blessings of God and make us candidates for hell. Sometimes we let people and things get in our way for daily prayer, reading and studying the word of God or just sitting before His presence in silence as He minister to our spirit. There will be days we cannot read our bible, but there shouldn't be a day that we don't have prayer. Did you know when we don't pray it is consider sin?

Luke 18:1

And he spake a parable unto them to this end, that men ought always to pray, and not faint (lose heart).

If He's telling us to always pray and we're doing the very opposite of what He is saying then we're in disobedience. Let me say this, when the bible states man should always pray doesn't mean twenty-four, twenty-four. God has more wisdom and knowledge that we would ever had. He knows that we have to work and we have to take care of our families, but while were doing all these things, we should always take time out to communicate with our Heavenly Father because if it wasn't for Him, we wouldn't have jobs. We wouldn't have our husband's or wives. We wouldn't have precious gifts as our children if it wasn't for God, so why can't we take time and thank him and communicate with him in daily prayer?

Prayer is communicating with God, prayer builds our faith in God. The more we know about God the more we trust Him and that will make us want to please Him. We should want to please God just as much as we try pleasing our spouse or more because were pleasing the Creator of the Universe.

People of God don't let nothing separate you from prayer, don't let anything stop you from doing what God has called and ordained you to do. If you don't know what you should be doing be steadfast and unmovable in prayer and watch God show and tell you what He expects out of you and what you should be doing.

Stop waiting for ministers to tell you your spiritual position keep in mind ministers are human and we can make mistakes. We can think we're hearing from God and it's not God and by doing so we have lead many away from God as well as kept them from their calling. God wants to hear your voice in prayer. He wants to see you bowing before him. If you're not doing it, you're walking in sin. Let's learn to make God first and make our selves last.

Adulterers (Greek –na'aph—Unfaithfulness, marital infidelity, illicit intercourse.

When God created a helpmeet for Adam he made only one. He didn't make two or three of them. Eve was Adam's wife and they were to be faithful to each other. God hates adultery. Spiritual adultery is just as bad a natural adultery. Marriage is symbolic to the marriage with God, we should not let man or woman separate us from our first love. We made a vow to God that we're going to serve Him until we die. We make the promise that we live only to serve and please Him. We made vows by saying we will bow to no other God, but when we begin to walk in lust we no longer walk in the Spirit of God, but we begin to have a part-time love someone that were not married to. We begin to meet them where we think no one can see us or hear us. Sometimes its at a bar across town or maybe at the local church bingo or maybe its at the liquor store. It could be on the internet where you can play casino without leaving your home or it might just be the local drug pusher. We're going outside of our marriage with God, we're playing the harlot, we're having an adulteress affair.

Effeminate (Greek –Malakos) catamite homosexual.

Effeminate means a catamite homosexual which means a boy kept by pederast. Pederast is a man who practices or have sexual relationship with boys. According to the word of God if a man lie with another man as with a woman it's an abomination. (Leviticus 18:22) An abomination is impure, detestable thing. Homosexuality is not pure in God's eye sight. God does not hate homosexuals, but he hates the sin. The bible states that sin is death and if we're practicing sin then the wages of sin will be death both naturally and spiritually. Many are in the church practicing homosexuality in the church and dying.

Abusers of themselves with mankind

This scripture is speaking of men and women prostitutes. In the Old Testament the first law prohibited Israelite men and women from becoming cult prostitutes. The New Testament is still indicating both the Jew and spiritual Jew cannot be prostitutes. Many Christians have given themselves slaves to cigarettes, drugs, alcohol, gambling. A prostitute will do whatever the person ask him or her to do. Satan has made many Christians prostitutes whatever he tells them to do they do it without hesitation. They never stop to think what would be the consequence of the sin they have committed. We cannot serve God and serve Satan. We cannot compromise with sin.

Nor thieves- There are many Christians attending church Sunday after Sunday and never pay their tithes or give an offering. They never have nothing to give, but they always come to receive. That's just like a thief. A thief never gives, but they always take. In order to receive from God we must learn to give. Nothing from nothing always leave nothing. If we want something we must learn how to give. If you don't have money to give, give your time in helping someone. Give your time by prayer and fasting for someone else other than yourself and family. There are many ways to give and not always be on the receiving end.

Can We Attend Church and Go to Hell?

Another description of a thief is when we take someone else's spouse. A thief takes what doesn't belong to them. Many are sitting in the church going with one of the brother or sister's spouse and it's sin before God. Some are in the church and having an affair with their neighbor's wife or husband and think there's nothing wrong with what they're doing. It's sin and whether we believe it or not God is going to reward us for what we're doing. Many ministers are having adulterous affairs with the women in the church along with having some of the men too. A lot of this comes from the pulpit down to the congregation and we wonder why the unbelievers don't want to come to church. It's time to clean up our act and get right with God. Why do you think the scriptures state that when Jesus returns he will start with the church? We suppose to know better. That's why he told us to study ourselves approved rightly dividing the word of truth, it wasn't meant just for ministers, but it's for all those that call themselves CHRISTIANS!

Covetous—(Greek-Pleonektes, eager for gain, greedy)

Many Christians have fallen into sin because of greed or a quick fix money plan. God is not in the lottery ticket or the bingo board. He didn't tell us to pay the lottery and bingo and He would open up the windows of heaven and pour us out a blessing where we wouldn't have room to store. He said give and it shall be given back to you and when He said give, He didn't mean to give to lottery tickets or any other type of gambling. Some play the lottery daily, and God hears from them once every other month in prayer. If they would be as dedicated to prayer as they are to lottery and bingo God will direct them how to gain money and it would be without sinning against Him. It is God's desire for us to be prosperous financially. You cannot support the kingdom of God broke. You can't provide for those that are in need if you are in need yourself. If we place our trust in God he will supply all of needs. If we would give as he has instructed us we will see the blessings of

God. Keep giving and watch God bless your coming in and your going out.

Many have sold their bodies to appease their lustful desires. One might say no that's my man. If the man or woman you have is not legal by God then we're selling our birthrights by giving our body to someone that is not our spouse and when it all boils down we're selling our birth right for a morsel of a three minute thrill.

Covetous is desiring something we don't have. If we wait and let God direct us and if it's His desires for us to have it we will receive the desires of our heart when our heart and our desires lines up with what God wants us to have.

Drunkard (Greek-methuo, to drink to intoxication).

Did you know there are Christian drunks? When someone is intoxicated their speech is slurred, you can't understand what they're saying. Their vision isn't good, they stagger and usually find themselves falling down. A true Christian can't understand them when it comes down to talking about the word of God, some of the things they say will blow your mind because you're wondering where did they come up with what they said. They can't see due to poor vision because lack of reading and studying the word of God. They don't know what's for them and what's not for them. They fall into sin and they feel as though they haven't done anything wrong. That's the same way it is with a drunk in the natural. He or she feels as though they haven't done anything wrong and feel as though everyone is picking on them when the people that love them is only trying to make them better themselves. Jesus is on His way back and He wants us to be prepared for His coming. Whether we're drunk with wine or spiritual drunk whatever state he finds us that's where we will spend eternity whether it's heaven or hell.

The Word of Life

No Revilers (Greek-Loidoreo, verbal abuse, vilify, to defame, denigrate).

To defame is to attack a good name by slander or libel. Any written, printed or pictorial statement that damages a person's by defaming his or her character or exposing them to ridicule. Many good men and women of God have had their character damage because of other Christians because they didn't like what the person told them. For every name we have damaged it shall come back to us in more ways than what we gave out! Let us learn if we can't say something good about someone let's keep it between ourselves and God. Tell God about it and he will fix the person if they need to be fixed and he will also fix us so that we can see where we need some improvements too.

Nor Extortionist (Greek Harpadzo, taking by force, plundering, greedy).

An extortionist would do anything to get what he or she wants and if it's not given to them freely they will take it by force. Some will lie and hurt others to get a promotion or a raise. Others will take someone else's husband or wife. Isn't it funny many Christians will try to keep up with the Jones' in the natural, but they will not dare to try to keep up with them in the spirit. If we're hurting others as well as ourselves to get riches, promotions or whatever the case may be God is not pleased with what we're doing. Many positions in the church have been taken by others that weren't called into that particular office, but because they stepped over others to get their position. We suppose to take by force from the devil not from each other. If we have found ourselves in any of these sins let us pray and turn from our wicked ways and walk in the Spirit of God and not in our fleshly lust and desires.

Matthew 21:13

And said unto them, It is written, My house shall be called the house of prayer; but ye have made it a den of thieves.

When God created man, he was created to worship God. Worship is a set of ceremonies, prayers or other religious forms by which the individual expresses his love towards God. We express our love to God by living according to His word. The church was established where all believers could come together in unity and worship God. Now in order to worship God it's a sacrifice by the individual because he or she has dedicated their lives to serve God according to His word which is the Bible. When men, women, girls and boys come together in unity to worship God in prayer and praise the Spirit of the Lord will be ushered in. The reason why many churches haven't received a visitation from God is because He don't dwell in the midst of a lot of mess. He comes where there are many worshipping Him in Spirit and in truth. God will give visitation to churches where His servants worship him daily and not just on Sunday. Not only will Jesus visit you at church, but He will give you a visitation at your home when you make Him Lord of your life. The church should be a place of reverence. If one must converse let it be an emergency. Passing notes, walking and eating and chewing gum is such disrespect for the house of God. When we commit these acts its telling God that we have no respect for Him or His church. The place where God's Spirit dwells must be holy. When God spoke to Moses by the burning bush before Moses could enter before His presence He told him to take off his shoes because where he was standing was holy.

Exodus 3:5

And he said, Draw not nigh hither (do not draw near this place) put off thy shoes from off thy feet for the place whereon thou standest is holy ground.

Moses had to follow the instructions of God before he could hear from God. We too have to follow His instructions if we want to hear from Him as well as feel His Spirit filling the atmosphere.

God has called His house to be a house of prayer that goes for the building structure as well as the individual building because we are His building. The Spirit of the living God dwells within us if we have been born again of His Spirit. We should be a house of worshipper, prayer, praise and power. Without prayer we cannot enter into worshipper, praise or power. Prayer should be the beginning of the day for Christians and at the end of our day prayer should go forth. One might say they don't know what to pray for, start reading the paper, listen to the news, listen to other people's problems and hurts and it will give us a lot to pray about until thirty to sixty minutes wouldn't be nothing for us to pray. People of God it's always something to pray about all we have to do is want to pray.

When God moved in the midst of the children of Israel He instructed them to sustain from worldly things. No longer should they worship idols, no longer should they go to people with familiar spirits (spiritualist), no longer should they worship the stars, moon, and the sun. They knew who their God was, but they wanted to serve God as well as Satan. We have misplaced our values about the church. The church should be a place of worship. It should be a place where the unsaved can come see and feel the difference. The God we serve is a Holy God there is no uncleanness in Him, as Christians we should be an example of our Heavenly Father. Most parents want their children to

be like them and have some of their characteristics. If God is really our Father then we should have some of his attributes and characteristics every father knowa their child, If God is dwelling in the house like we say He is, there shouldn't be any problem with our prayer life. We should be a house of prayer. Prayer cleanses our spirit, it helps us to stay in contact with our Father. It helps us to be sensitive to the Spirit of God as well as the spirit of Satan.

As Christians were not taken prayer as serious as we should. Many of us don't pray until we get in the house of God, Prayer should be in the church and it should be in our homes. Every Christian should have a space in their home where they have dedicated it to God for prayer. If we don't have an extra room for prayer make your bedroom a place of prayer and praise.

If the congregation is in prayer the way they should be there wouldn't be a need for the ministers to have to pump and prime the people of God to worship their God. If prayer was in the house the way it should be when we step into the church a praise will be in our heart. No one would have to ask us to clap our hands because the praise would be there. We should be so on fire for God that when we hear the word of God we can rejoice with a praise dance, but many times the word is cutting us like a knife because we're still in our mess. A person that prays consistently will not fall into sin as quick as one that prays every now and then. Prayer keeps us alert of the tricks and schemes of Satan. Prayer keeps our flesh under control. Prayer make us want more of God and less of Satan. If you noticed when were slack in prayer, we're easy to get upset, fearful, and confused. We start listening to things we know we shouldn't. We begin to say things and go places that we know we shouldn't. After we have practiced sin for so long our conscience no longer condemn us about the things we're doing and saying. We have turned ourselves against the word of God and try to justify why we're disobeying the word of God.

Sin over take us when we're slack in prayer. Prayer motivate us to want to have more knowledge of the word of God in order for us to follow the instructions God have given us. Many of us have lost blessings because we have know idea of what God has promised us in His word. Many of us is wishing for answers to different problems and situations and all we have to do is pray and ask for wisdom for any given situa-tion and God will gave us the wisdom and knowledge that we need.

One thing we must learn about prayer is that we can't pray one time and think that's the end of it. Sometimes we may have to pray for days, weeks, months and even years to get our prayers answered. Don't believe if you pray more than once you don't have faith. The chil-dren of Israel had prayed for years before they were delivered and God heard their prayers, but they weren't delivered in the years they were praying. When God sent the angel to Daniel the bible states the first time he prayed God heard the prayer, but because of evil forces Daniel didn't receive an answer until twenty-one days later, but Daniel didn't stop seeking God in prayer for the answer.

The bible teaches us that the feverant prayers of the righteous availed much, meaning the individuals that's doing the prayer is consistent and persistent with the prayer their asking until they receive an answer. If many of us be as feverant in prayer as we are in chasing men and women, gambling and playing the lotto we would have our prayers answered if were pray-ing according to the will of God. Many times we're praying selfish prayers. We're praying for someone else's spouse or we're praying to be like the Jones', God doesn't answer covetous prayers. When we pray ac-cording to God's will we know that he will an-swer our prayers. How do we know when we're praying according to God's will? When we pray according to His word.

Satan knows how important prayer is that is why he tries to keep us from praying. He places stumbling blocks in our way to try to hinder us from prayer. Satan is driving many Christians to the point they

never have time for prayer. If its not the house, its the kids, if its not the kids, it's the spouse, if its not the spouse it the job or the school. God gave us all of these things to enjoy, but he don't want them to become our idol. Our life as well as our children life is at state, we don't have time to be slack in prayer. Satan is throwing everything that he can at us and we need to fight him with the sword of the Spirit which is the word of God. When we pray we should be praying the word of God. When we make confession it should be confession of the word of God. Too many times we're praying children's prayer and we're confessing doubt and unbelief.

Through prayer and dedication Jacob was saved from the wrath of his brother and was reunited with his brother in love and unity.

Through prayer Hannah was blessed with a child that was a blessing to many. Without prayer she wouldn't have received her son.

When King Solomon dedicated the temple to God his request was that when the people of God would enter into the temple of worshiper that God would hear their prayers and for-give their sins and heal them. Not only did he pray for the children of Israel, but the stranger that came from other countries into the temple to pray that God would hear and answer their request.

Prayer is to Christians as water is to a fish without it we cannot live. Oh, yea we can be walking, talking and breathing and still be dead when we don't have Christ as Lord of our life.

The church was established for believers to go and worshiper God in the beauty of holiness. God loved us so much until He wanted more than just a brick building to live in so He gave His Son that we could have more than just His Spirit coming upon us, but He wanted his Spirit to live within us.

Prayer keeps us conscience that God is indwell-ing our spirit being. House of prayer should be a place we can go after being on the battle field on our job, homes, and school. If some of us knew the different attacks we go through throughout the day without being harmed or committing a sin against God we probably would faint, but because of our prayer life and others praying for us we don't feel the affect of the attacks. As we pray for others, God will have someone praying for us. This is what keeps us from being eaten alive by Satan and his co-hosts along with the Good Shep-herd keeping watch over us.

The church is another place where prayer should be consistent and persistent as we do this we're doing as Jesus has instructed us to do, making his house a house of prayer. If prayer was in the church as it should be some of the spirits that control churches couldn't control them if the house was a house of prayer.

When we come into the church we should be en-tering into a place where we can feel the love of God as we walk through the corridors, but some-times the people that greet us is as cold as an iceberg. Where the Spirit of the Lord is there is liberty. The Spirit of the Lord dwells where the place have been dedicated to God whether it's a brick building or a human body!

It's a amazing how some denomination recognize a saint as one that is dead and gone to glory or they have

certain church officials as saints. A saint is one that is set apart, pious, and holy for the Master's use and its not when they have died! The disciples then and now can petition God for anyone, but once their dead that's it they can't pray for anyone.

A saint isn't a new doctrine nor is it a denomination. It's a set life style of those that are followers of Jesus Christ. It doesn't mean they don't make mistakes, it doesn't mean that they cross every t and dot every I. A saint is one that doesn't practice sin. Saints have given their life to Christ that He may direct their lives and not themselves. You see when your life is directed by the Lord whatever comes your way He's their to make sure you come out victorious and not the victim.

Saints are to be in every denomination. Whatever denomination we're serving should be according to the word of God. He didn't make a bible for each denomination but everyone is to follow the instructions of the Bible because its universal. What goes for the Catholic goes for the Lutheran, Protestant, Baptist, Muslim, C.O.G.I.C. and the Church of God. Whatever the name maybe God is calling for the church the body of Christ to present themselves holy before Him.

As Christians we should be different from the unbeliever. There should be such a change in us that others will see the difference without us advertising our Christianity. When people see us they should see us in the image of Jesus. When they hear us speak we should be the oracle of God. We should have so much of the Spirit of God in us until we're drawing people to the Christ that is in us.

But because so called Christians have made a mock of the church as well as Christianity it's hard to witness to the unbeliever because some of them think that we're all hypocrites and it isn't so.

Those that have sanctified themselves to Christ are called saints.

1 st Corinthians 1:2

Unto the church of God which is at Corinth, to them that are sanctified in Christ Jesus, called to be saints, with all that in every place call upon the name of Jesus Christ, our Lord, both theirs and ours.

Saints have separated themselves from doing as the world do. You wouldn't see a saint gambling but you would see one that call themselves a Christian. Because the world have it as anyone that believe in God is a Christian, but the word of God said be doers of the word of God and not hearers only deceiving your own selves.

James 1:22

But be ye doers of the word, and not hearers only, deceiving your own selves.

We're lying to ourselves when were still dipping and dabbing in things God has forbidden us not to touch and we think were still going to heaven. There are things that saints shouldn't be touching or using, its called the forbidden fruit. The bible tells us to touch not, taste not the unclean thing. God wants us to be different from the unbeliever. When people come in contact with us they should see a difference, they should feel a difference being around us.

People of God its time for a spiritual change. We shouldn't be satisfied with just being saved.

There should be a hunger and thirst within us to see the manifestation of God in our life. We should want to see God using us to be blessing to others. We should be praying for God to make a change in us that we may make a change in the lives of others.

God is still raising the dead, growing body parts, healing the sick, but it is left up to us if we want to see the manifestation of God's power working in our lives. The only way God is going to manifest His power through us we must separate our selves from the things of the world. Jesus said we are in the world but we are not of the world. So if were not of the world why are we trying so hard to be like the world?

Let us prepare ourselves for the coming of the Lord. In order for us to prepare others we must first be prepared to live according to the word of God. When Jesus comes back He's coming back with Ten Thousands of His saints and in order for us to return with Him we must be saints!
