## **G** Genesis 6:18

***But with thee will I establish my covenant; and thou shalt come into the ark, thou, and thou sons, and thou wife, and thou son's wives with thee.***

Covenant – A binding agreement made by two or more persons or parties.

Noah was the first person that built an ark. Noah was the son of Lamech. Noah was a just and upright man before the Lord. Noah had such a good relationship with God that he informed Noah of what was going to happen to mankind.

## The Ark of The Covenant

Noah found grace in the eyes of God because God saw him as a just man and perfect in his generation. Noah walked before God with all of his heart. Because of Noah's loyalty, God communicated with Noah on a one to one basis.

## **G** Genesis 6:13

***And God said unto Noah. The end of all flesh is come before me; for the earth is filled with violence through them; and behold, I will destroy them with the earth.***

As you can see, God spoke more than one word. He was dialoguing with him. In order for Noah to fulfill what God had instructed him to do, God had to have spoken more than one word. God hasn't changed, He will also dialogue with us if we have an listening ear to hear what the Spirit is saying to the church which is the body of Christ. He speaks to us individually and corporately. The reason why some of us can't hear the voice of God is because we're practicing sin and sin makes us hearing impaired to the voice of God. Another way we can hinder ourselves from hearing from God is staying busy all the time. We're suppose to be servants, but there is a time we must allow ourselves to rest and consecrate ourselves before the Lord as well as sit before Him to hear what He has to say.

In order to know the voice of God we must come familiar with His voice and the only way we can come familiar with His voice is to have a relationship with Him. Just as we know the voice of our spouse or children we should also know the voice of God.

Many of God's people are being abused by a spirit of driven that keeps them busy all the time to the point they never have time for prayer, reading and studying the word of God, or time to sit in His presence. A spirit of driven makes us have a compulsive quality of need when the word of God has informed us not to be anxious over nothing. It's good for us not to be idle, but it will stagnate our spiritual growth if we stay busy all the time until we don't have time for God. We cannot minister to others if we don't have regular contact with God. It's through the Spirit of God that enables us to minister to others. We can't stray from the source that empowers us to live in the world, but don't be partakers of the worlds' ungodliness.

# The Ark of The Covenant

Noah couldn't build the ark the way he thought it should be, he had to follow the instructions God gave him in order to receive the blessings of the promise. Many times we think we can receive from God no matter how we live. Yes, it's true that God promised us that He would rain on the just as well as the unjust, but one thing we must remember we may receive blessings from God, but at the end of our lives we must stand before God. The way we lived our lives is what we shall receive for eternity whether it's to live in heaven or hell.

Many times we miss our blessings because we don't follow the instructions of the word of God. We must be doers of the word of God and not hearers only. It's not about what we think it should be.

## **D** uteronomy 12:32

***What thing soever I command you observe (be carefully to observe) to do it; thou shalt not add thereto, nor diminish from it.***

Prior to God destroying the earth He wanted to make sure He saved Noah and his family. This is why it was so important for Noah to follow the instructions the way God had given him.

The place of safety was the ark, the covenant was the promise from God that He would save Noah and his family. When God told him to bring his family to the ark of the covenant He told him to take his wife, sons, and his son's wives.

## **G** enesis 6:18

***But with thee will I establish my covenant; and thou shalt come into the ark, thou and thou sons, and thou wife, and thou son's wives with thee.***

Noah had one wife as it was in the beginning when God created Adam and Eve. Noah didn't have a concubine, a mistress or someone that was confused about their identity. They were created in the garden male and female. God hasn't change, according to God's rule it's still should be male and female. Too many times we're trying to get into the ark with things that are an abomination to God.

We're trying to bring things that cannot go into the ark. We're trying to bring things God has instructed us to leave behind such as lying, cheating, stealing, envy, jealousy, hatred, adultery, fornication and unforgiveness. We can't grow spiritually when we have baggage that's holding us down. We can't soar as an eagle if we have chains and fetters and James and Jane hanging on us unlawfully.

When God told Noah to take two of each creature they weren't of the same gender, they weren't creatures of abominations. Noah's sons were married; they weren't shackling, they weren't living in common law. In order to receive God's blessings we must follow His instructions, we can't stray away from His instructions.

Now picture this, it hadn't rained prior to God telling Noah to build the ark. Noah's neighbors probably laughed at him. His family might have looked at him funny, but because they knew that Noah was a man of God they followed the instructions of Noah. When we obey the instructions of our pastors or men and women of God, we will receive the blessings of God because they're only going to instruct us in the way God has given them. Because of Noah's obedience Noah and his family was saved.

Many times people may not believe in God, but by them seeing our walk with God with persistence not laying our religion down and picking it back up will give them an incentive to worship God in holiness. Then on the other hand there are those no matter how you live they will not accept Jesus as Lord. Gabriel and Michael could do a holy dance before them and their hearts will still be harden. Don't let what people think or say about you keep you from building the ark of God for you and your family. Because Noah was obedient, both he and his family were saved from destruction. The first time God destroyed the earth with water the next time it will be with fire. Just because a person doesn't believe does not stop what God has ordained.

God is calling us to build the ark where both we and our families will be able to come into the covenant. God is concerned about families.

# The Ark of The Covenant

Chose life that both you and your family will have life.

***D*** uteronomy 29:19

***I call heaven and earth to record this day against you, that I have set before you life and death, blessings and cursings: therefore choose life, that both thou and thy seed may live.***

Because of our obedience it will bring blessings to our children and our children's children. We can't build the ark with finances, popularity, degrees or any other worldly means, it comes by fasting, prayer and dedication to God's word.

God made a covenant with us, as we obey His instructions our spouse and children will also receive the blessings and promises of God.

I don't care how the situation may look for your love ones. You may have been praying for them for weeks, months and years. When it's their time for conversion, no one can stop the plan of God. We didn't receive salvation until our appointed time. We try to get people saved when we can't do nothing, but live a godly life-style around them, pray and fast for them and let God do His job while we do ours through prayer and fasting for them.

God is more concerned about our unsaved loves ones more than you or I could ever imagined. He loves them so much until He gave His son. His Son died for them the same way He died for us.

God no longer dwells in tents and arks, but he dwells within each one of us that has been born again of the Spirit of God. As we submit ourselves to God the Spirit of God that dwells within us will draw our love ones and others to His Son.

As Christians we must not give up on our love ones when we do, we're doing exactly what Satan wants us to do. When we give up we will not be persistent in praying and fasting for them. God hears your prayers, and your prayers will be answered because you're praying according to the will of God. God's will is for everyone to receive salvation. It's not His will that you will perish. You and I have the promise of God that He will save our household. The promise is for all those that desire to come to the Lord.

Don't believe the report of the devil, believe God for your love ones. Speak the word over them, prophesize to their salvation. You have what you say. Speak positive words over your unsaved loved ones.

Call those things that be not as though they were. Begin to thank God for their salvation. Pray for them daily, consecrate yourself before God and bring them to the throne of God in the spirit.

Let the devil know that he can't have them. Let him know that God's words still stand today and forever. Have faith in God and not the report of Satan. God promised us and His word will not return void.

***A*** cts 16:31

***And they said believe on the Lord Jesus Christ, and thou shalt be saved, and thy house (household)***

***A*** cts 11:14

***Who shall tell thee words, whereby thou and all thy house (household) shall be saved.***

***1*** st Corinthians 7:14

***For the unbelieving husband is sanctified by the wife, and the unbelieving wife is sanctified by the husband: Else were your children unclean, but now are thy holy.*** Salvation comes to our family through our obedience and the promises of God. God's word will always prevail over the adversary when we're willing to fight for our love ones through the Spirit of the Living God that dwells within our being.

# On The Road To Damascus

**A**cts 9:16

***For I will show him how great things he must suffer for my name's sake.***

Paul was called Saul prior to his conversion and missionary journeys. Paul was chosen by God to do a work for the Lord at the time appointed by God. Although Paul persecuted the church and had many Christians killed, he still had a calling on his life to serve God and to bring about a blessing to many of God's people.

Paul was a Benjamite, a native of Tarsus, Cilicia and was born about A.D.5. He was raised as a free Roman citizen. He was a pupil of Gamaliel who was a strict Pharisee. Pharisees were one of the three sect of Judaism in the time of Christ. The name means separated by special works. The sect included Hebrews who separated themselves from Levitical impurity, following the Mosaic law of purity. Paul was taught by the best of scholars of the law, but his teacher didn't have a relationship with God nor His Son. His teacher could teach him about the law of works, but he didn't have an understanding of the works of the Spirit.

Saul loved God although he persecuted and killed Christians.

To his knowledge they were going against the laws of God. He didn't know anything about being born-again. He hadn't heard about speaking in tongues and laying hands on the sick and they would be healed. He didn't know anything about casting out demons and because he didn't know he was trying to destroy the very thing that was going to deliver him from a spirit of religion to a child of God.

Because Saul loved God and wanted to obey his law, God showed him a better way by coming through His Son the very one he was fighting against. When your love ones comes against you, they're not really coming against you they are fighting against the Spirit that lives within you.

God had an appointed time for Saul to meet His Son. Jesus met Saul on the road to Damascus. What Saul had been taught wasn't going to stop what God had planned for him. Saul was like we were before our conversion. We didn't kill Christians literally, but we killed them with our attitude towards them. We killed them with our tongues. There may have been some we lied on and tried to destroy their good name. We didn't want them around us because we hated the spirit that was in them.

Oh! Come on, You may say I didn't hate Christians, well if you weren't born-again by the Spirit of God, and God was not your father, Satan was and there is nothing about God nor the children of God that Satan loves. So we reacted to Christians the same way our father did.

We may not have said it with our mouth, but it was in our hearts. Our dislikes towards Christians could have also been because we had seen so many Christian fakes. Nevertheless when God's appointed time came it didn't stop our conversion to Christianity.

Saul (Paul) was on his way to kill more Christians and put some in jail when he came in contact with Jesus. When Saul came in contact with Jesus he was a changed man, his life changed. He no longer practiced sin. There is no way we can have an experience with Jesus and still be the same. Contact and experience is different. When we were sinners we came in contact with God whenever we decided to drag ourselves to church. When we were around spirit filled people we came in contact with God, but when you have an experience with Him you have a life changing experience. Old things are passed away, in other words you no longer desire to do the things of the world, but you would have a craving for the things of God.

No matter what Saul had done God had a plan for him and His plan nor His word was going to come back to Him void. God had a set time for Saul to be changed. Many times we look at what people have done and we label them as Mission Impossible! People of God we must believe that God is the one that works with the impossible cases. If we could do it ourselves there wouldn't be a need for God. God specializes in hard cases. There is nothing impossible for Him. Those that prayed us into the kingdom of God may have thought at one time or another that we too were a mission impossible, but they were consistent in prayer, they didn't give up.

# On The Road Damascus

There isn't a person that cannot be saved unless he or she refuses to repent of their sins and accept Jesus as their Savior, or if they blaspheme against the Holy Spirit.

## **M**atthew 19:25-26

*When his disciples heard it, they were exceedingly amazed saying, who then can be saved? But Jesus beheld them, and said unto them with men this is impossible, but with God all things are possible.*

Jesus wasn't just speaking about those that were rich, but it included all the hard cases. Jesus told the chief priest and the elders because of their unbelief and unrighteousness that the publican and harlots would enter into the kingdom of God before them.

## Matthew 21:31-32

*Whether of them twain did the will of his father? They say unto him, the first. Jesus saith unto them, verily I say unto you that the publicans and the harlots go into the kingdom of God before you. For John came unto you in the way of righteousness, and ye believe him not: but the publicans and the harlots believed him: and ye when you had seen it, repented not afterwards that you might believe him.*

It doesn't matter what the person has done accept if they blaspheme against the Holy Spirit the Lord will forgive and save them. Thank God He's not like us.

Some of us will never let a person live down their past. We will hold it over them as long as they live. But the Mercy of God, the Grace of God, the Long Suffering of God will put our past behind us and never bring it back to us again. We must believe God for the impossible for Him to work in the impossible.

Look how long Saul persecuted the church, but the man still had a call on his life. Many of us have some Paul's and Paulette's Jesus is going to meet on the Road of Damascus. The devil wants us to get weary, pray for your love ones until you see a manifestation of the power of God working in their lives. Continue to pray for them when Satan anoints them, continue to pray no matter how they act, knowing that God is doing a work in them. That is why the devil is using them to try to discourage you from the faith. Believe the report of the Lord and not the report of what you see and hear. God never would have given us His word that He would save our household if it wasn't true. Believe God, trust Him, and watch Him do the IMPOSSIBLE! We must continue in prayer no matter what it look like.

## Luke 18:1

*And he spake a parable unto them to this end, that men ought always to pray and not faint.*

Don't give up on God for your love ones. Continue to pray and watch God move in the behalf of your love ones. Sometimes we need encouragement to continue in the faith, read the bible it will encourage you when you need to be encouraged. One thing we must learn is sometimes we have to encourage ourselves. Don't wait on people.

Too many times we place our trust in others when we should be placing our trust and confidence in God and His word. We can put our confidence in God. The person you're praying for may be getting on your last nerve let their aggravation, and your frustration work together for your good. Stress make us press for prayer. Whereas we never fast, persecution will make us fast.

Let us seek to be like Jesus, He was never in doubt or unbelief. He never complained. He never fought back. They whipped, spit and punched Him, but He didn't say a word. He didn't curse them, but He asked for their forgiveness. Some would think because you don't say anything that you're a wimp, but in actuality that's when you're strong when you don't let your emotions dominate you, but you dominate your emotions. That's when you're acting like the Son of God.

Walking on the Road of Damascus we may find many snares, sheep in wolves clothing. It's a road where we must stay focus because there will be many distractions that will come our way to keep us from reaching the promise land. You may have been on the Road of Damascus for years, you can be saved and sanctified filled with the Holy Ghost and that with a burning fire, you still need to stay focus, because the adversary is on your track to take you out anyway that he can. Just as God promised the children of

# On The Road To Damascus

Israel a land flowing with milk and honey, He has also promised us a land flowing with milk and honey. He has promised us a land where we can live without fear of death, poverty, sickness, diseases, disappointments, and rejections. A land where the streets are paved with gold and the gates are filled with precious gems. A land where there is always day. A land where we can talk to the Father without any interference of the evil one. But just like the children of Israel we must make it to the promise land and we must go through Damascus. On the Road of Damascus there are giants. Giants of fear, discouragement. Giants of unbelief and doubt. Sometimes we will meet the spirit of slothfulness. Giants of lust, envy, strife, spite, persecution, rejection. Everyone of these giants is there to try to stop us from reaching the promise land. We can return to Egypt or we can stand toe to toe with them and let them know the Greater One lives within us. No weapon formed against us shall prosper, no witchcraft or lie can prosper because we have the Greater One living within our being.

Giants of pride and self will is lurking on the Road of Damascus. Spirit of confusion and double-mindedness is there to keep us from reaching the promise land, but we must make up our minds for God I will live and for God I will die and let Satan know he nor his imps can stop you from the promise land because the Greater One has your life in His hands. God's sees our every move. There's nothing that goes on that concerns us that God does not know about.

## **R**omans 8:38

***For I am persuaded that neither death nor life, nor angels nor principalities, nor powers nor things present, nor things to come, nor height or depth nor any other creature, shall be able to separate us from the love of God which is in Christ Jesus our Lord.***

We should take the same scripture and insert in our hearts: ***I will let nothing separate my love towards God.***

You see no matter what we do God will always love us. He loves us, but he doesn't love the sin we commit. When we fall in love with God we will let nothing stop us from doing what He has called us to do. There may be giants in the land, but God has given us His promise that he would never leave us or forsake us. A woman will forsake you as well as a man so make God first in your heart because He will always be there. His love is unconditional. Don't think because you serve God that your life is going to be a bed of rose's because it's not. Satan is going to try everything he can to stop you, the choice is yours.

This is not the time to faint or get weak. Pray, fast, study the word know your rights. Satan wants to make us think we are defeated. We're not defeated we're more than conquers through Christ. Jesus has never lost a battle, all power belong to Him. The power that Satan uses cannot be used without God's permission. He gave Satan powers, but Satan has to bow to the name of Jesus.

***Don't*** get weary, when we become weary we will stop praying for ourselves as well as others. Sisters and brothers we must put on the whole armor of God, not a portion of it, but the whole armor to stand against the whiles of the devil that comes against us as well as our love ones.

Jesus met Saul on the Road of Damascus and changed his life completely. He can do the same for our unsaved loves ones. He can do the same for us while we're traveling down the Road of Damascus.

Saints of God it's praying time, its time to fast and know the word of God and the only way we will know the word of God we must read it and ask God for understanding.

God loves us and he wants a more imitate relationship with us. He wants us to stand in the gap for souls. He don't want us to give up on those that we may have prayed for, for months or years. They may be miles away from the Road of Damascus, but the Spirit of God is wooing them, keep praying and fasting for them. Speak the word of faith over them until it manifest in their lives. Speak God's word, God cannot lie, His word will fulfill what He has spoken.

## **J**eremiah 24:7

***And I will give them a heart to know me that I am the Lord, and they shall be my people and I will be their God; for they shall return unto me with their whole hearts.***

# Beware of False Prophets

## **J**ude 4

***For there are certain men crept in unawares (unnoticed) who were before (long ago) of old ordained to this condemnation ungodly men, turning the grace of our God into lasciviousness, and denying the only God, and our Lord Jesus Christ.***

Many of God's people have been detoured from serving God through false religion and people that say they are ministers of God when in actuality they are ministers of Satan. People are preaching for money instead of preaching for souls to come to Christ. God does not care about how much money is brought into the church, He's concerned about how many souls have been converted. Too many ministers have strayed away from teaching the doctrine of Jesus Christ. We cannot compromise with sin in others as well as in ourselves. We must teach the word and live according to the word of God.

False prophets are everywhere and we must know their motto. We must not be ignorant to the schemes of false prophet. A false prophet is one that will tell an individual how much they will gain materialistically whereas a true man or woman prophet of God is informing them of things that pertain to kingdom building. God is not interested in money, cars, houses. He's concerned about who will believe His report. Who will live according to His word.

False prophets have crept into our churches and have started a different doctrine other than what we have been taught through the word of God. Many are in bondage because of following the leading of false prophets.

False prophets brings division, confusion, and contention by their divination by ungodly spirits. They always want to tell people about someone placing voodoo or bewitched them when they will not rebuke the spirit off the individual because Satan cannot cast out Satan.

They can't give prophecy unless they call a \$20,\$50 or \$100.00 line. Nowhere in the bible did the prophets charge the people for giving them a word from God. There are instances where they did bring a gift to the prophet, but that was to show reverence and love toward the man of God. We don't suppose to merchandise the gifts of God. In order not to be fooled by a false prophet we must have a good relationship with the Lord. We must spend enough time with God in order that we will be able to discern between the Spirit of God and the spirit of Satan. We must know the spirit of truth and the spirit of error.

There are many professing to be prophets, but the manifestation of the anointing of the prophet is not on the individual. If he or she is not anointed to destroy the works of the devil in an individual's life through the power of God then they're not a true prophet of

of God.

If anyone comes to us with a doctrine other than the Holy Bible then it's a false teaching. There was a man by the name of Balaam who served God and also practice the forbidden arts of divination. Balaam was a false prophet hired by the king of Moab to try to influence the children of Israel to practice the cult of Baal-peor. Like most false prophets they will influence the individual to do things that's against the word of God. When we obey false prophets we're being lead away from the doctrine of the gospel. In the New Testament Balaam is the symbol of avarice (excessive desire for wealth).

## **R**evelation 2:14

***But I have a few things against thee because thou hast there them that hold the doctrine of Balaam who taught Balak to cast a stumbling block before the children of Israel to eat things sacrificed unto idols, and commit fornication.***

The false prophet tried to get the children of Israel to have a relationship with a god other than the true and living God. People then and now are committing spiritual fornication and adultery. False prophets are still influencing the people of God to fall from the doctrine of Jesus Christ. There is more teaching on how to get rich worldly instead of how to get your soul rich with the word of God, how to get the anointing of God. That's what we need more people of God and

# Beware of False Prophets

less of worldly things. I am not saying that we don't need money, we all need money for our ourselves as well as money to support the building of the kingdom of God, but our main focus shouldn't be on how much money can we obtain. Once our spirit is called to our Creator, money, houses, lands, cars, degrees will be here for someone else to enjoy.

Many false prophets are destroying people with prophet lying instead of prophesizing. If we read the word of God it will give us a prophecy we can stand on and know that it shall come to pass. If we're looking for a spouse the bible teaches us, **No good thing will he withhold from them that walk up rightly before him. A man that finds a wife finds a good thing and obtain favor from God.** If we're looking for prophecy for healing it's in the word of God. **But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him, and with his stripes we are healed.** If we need a word of prophecy for finances the bible teaches us **Give and its shall be given unto you; good measure, pressed down, and shaken together, and running over shall men give into your bosom. For with the same measure you mete withal it shall be measured to you again.**

The bible is full of prophecy. As we line our lives up with the word of God we shall receive the prophecy the word of God has given us.

God gave His Son in order that we may live a prosperous and fulfilled life in the beauty of holiness. He couldn't have given us anything better than His Son. God wants us to prosper, but He don't want us to get our focus on riches and lose sight of our souls.

The reason why false prophets can get over on church folk is because most of the time we don't take the time to read the bible. Once we read the word and understand the word we will know how to discern false prophets by the word and the Spirit of God.

Don't get caught up when someone gives you a prophecy about money. If we give our tithes and offerings we should know that God promised He would rebuke the devour for our sake. He will rebuke poverty, sickness, disease, and whatever else that will come to try to destroy what God has given us.

Just as we discern by the Spirit of God who has the Spirit of God, false prophets also discern who has and who don't have the Spirit of God indwelling their being; They can discern an individual's spirit wishing and wanting money, cars, spouses and so forth, so what they do is give you word of prophecy of what they discern in your spirit. We have a human spirit and if we have been born again we have the Holy Spirit of God dwelling in our being. False prophets divine to our human spirit, they can't touch the Holy Spirit. Now there are times when a Spirit filled individual may be in the midst of a congregation where there is a false prophet and the Spirit of the Lord will use the false prophet to get a

to His child. The message will not be about materialistic things only, but it will be concerning spiritually things that concerns God and the individual.

God will use whatever means He has to get a message to His children whether they are false or true prophets of God.

Please keep in mind just because someone prophesize to you does not make them a prophet.

## M atthew 7:22

**Many will say to me in that day, Lord have we not prophesied in thy name? And in thy name have cast out devils? And in thy name done many wonderful works? And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.**

Every prophecy is not given by the Spirit of God and we need to know whether it's the Spirit of God or the spirit of Satan that is giving the prophecy. The word of God teaches us to try the spirit by the Spirit.

## 1 st John 4:1

**Beloved, believed not every spirit, but try the spirits whether they are from God because many false prophets are gone out into the world.**

We must not be ignorant to the schemes and tactics of Satan. He comes as an angel of light.

# Beware of False Prophets

Satan is not going to come to us dressed in a red

suit with horns and a pitch fork. Sometimes he may come to us as a minister. Because he knows if he come any other way he can't fool a Christian. People of God discern who is laying hands on you and praying for you. God don't want everyone laying hands and praying for us for the simple fact every minister has not been sent by God. Many of us are suffering from different infirmities and things in the spirit because we have let the wrong person lay hands on us. Discern what spirit is your prayer partner. Every person that prays with you is not praying in agreement with what you're praying for. Everyone in the church is not coming for the same reason that you're coming for. This is not to make you paranoid, but to make you think and pray and seek God and not be fooled because someone say he or she is a Christian. False prophets have lead many Christians away from God because the individual didn't take time to pray, study and read the word of God and when a false prophet gave them a prophecy and it didn't come to pass they felt like God lied to them or God forgot them. That was the purpose of the prophecy to turn the individual away from God. Know who is prophesizing to you. Don't look on the outside look into their spirit!

Stop running here and there looking for prophecy. You pray, and seek God for yourself and He will give you a word of prophecy. Don't misunderstand me, I am not saying despise prophecy, I am telling you to seek God so that when prophecy does come your way, you will be able to discern whether the prophecy is of God or Satan.

Many of God's people have fallen down and they can't get up because of the ditch false prophets have lead them in. Know the Spirit of God and the spirit of Satan. Don't be ignorant to the word of God. It's the word that is going to keep us, it's the word that is going to lead us into all truth. Know them that labor among you. We should know those that are truly Christians and those that's playing Christians. That doesn't give us permission to talk about them, but to pray and work with them until Christ be formed in them.

Pray and ask God to give you understanding of the spirit realm. We are dealing with all types of demonic spirits and we must know what we're dealing with. Satan's time is almost up and he's sending his forces to the saints. Satan has the sinner, he's not worried about them, but he is trying to get those that's calling themselves Christians, those that say they are sanctified. People of God know the word of God, live by the word of God. Consecrate yourself before the Lord. We should always fast and pray without the pastor asking us to fast and pray. You're not doing this for the pastor, you're doing it for yourself. Anointing comes by submitting ourselves to God through fasting, prayer, reading the word and being a doer of what we have read.

People of God we must be in tune with the Spirit of God as well as the spirit of Satan. We can't fight if we don't know what we're fighting. When we seek spiritualist, psychics, palm readers, we're opening the door to be attacked by Satan. When we're walking in obedience to the word of God we have the protection of God.

We must have knowledge and understanding of the word of God and the spirit realm. An enemy knows he's target, he studies it to know where to hit. We must study our target and it's not an individual it's a spirit and we must know when, where and how to hit. When we aim, we're aiming to destroy the works of the devil in our lives and in others! Know whose giving you a message, Satan or God!
