

WORD OF LIFE MINISTRIES

A MINISTRY FOR ALL NATIONS

ARE YOU READY TO MEET HIM?

REVELATION 1:7

Behold, He cometh with clouds; and every eye shall see him: and all kindred (the tribes) of the earth shall wail (mourn) because of him. Even so Amen.

For years we have heard from the Christian community that Jesus is on His way back. To some it may have been a folklore to others disbelief. Whether we believe it or not Jesus is on His way back and He's coming for His church, not the building, but those that has been sanctified in Jesus Christ. Sanctification goes for every denomination.

Sanctification indicates that the individual has been set apart from the secular world to serve and worship God according to His instructions and not their opinion of how they should serve God. Although the individual is in the world, they no longer live according to the world's standards. They're no longer self and men pleasers, but they have dedicated themselves to the Lord by presenting themselves as a living sacrifice, spirit, soul, mind and body.

God never would have given us instructions if He didn't want us to live by them. He's not telling us to do something that He has not given us the power to do. Whatever God instruct us to do, He has already made provisions for us to carry out His commission.

There is no way we can have Jesus living within us and still be the same. When Jesus comes into an individuals life he or she becomes a new creation. They no longer live according to the world standards, but according to the word of God. All things become new and their old ways will no longer exist, because He will give them power to overcome every obstacle that may come in their lives. They will perceive Jesus with a new perceptive, they will understand who Jesus is and what is expected of them as children of God.

God is a God of holiness and He wants His people to be as He is. In order to have fellowship with Him as well as have the anointing we must come out of our sinful state.

Sickness, disease, and death is in the land as never before. Divorce is on an rampage, people are losing their jobs as well as their homes. Many that were professing to be Christians have back slide because they couldn't stand the pressure. A certain group of Christians have agreed to have a homosexual as a priest, holding an office that should be holy.

Government has given permission for a woman to take a pill and abort her child. Our children are given instructions as well as provisions to have sex. A young girl can obtained contraceptives as well as abort her child without her parents knowledge. They're trying to pass a bill that would give an homosexual benefits as a heterosexual if one of them die, but yet we're saying God bless America when America has become a sinful nation.

Legislators are trying to take God out of the Pledge of Allegiance. America was established on "In God We Trust". We're either going to love God or hate Him. We're going to either submit to Him or reject Him.

Satan who is the god of this world has blinded the eyes of those that reject God. His goal is to destroy as many souls as he can, and if we don't get into our proper place and stop playing church and be the church God has ordained us to be many souls will be destroyed because of sin. The wages of sin is death, death does not discriminate. Sin causes a nations to die physically as well as spiritually.

God destroyed many nations in Biblical days because of sin. God's people are destroyed because of the lack of knowledge of God as well Satan's different schemes to destroy mankind. Because of sin many have died premature deaths because of their sinful life style. We as the people of God should hold a standard, a standard that reflects God in our daily lives. Many so called Christians have lost their standards as well as their morals because of sin that lives within, when God has given us the power to overcome every sinful way that may try to tempt or influence us when we stay connected with God in prayer.

God's desire is for everyone to live and not perish, but He has given each of us a choice of whom we will serve. Whoever we serve will determine where we will spend eternity.

Jesus has instructed us that there is a straight and narrow way that leads to life. The straight way is God's way, the gate that is wide is the gate of destruction that leads to spiritual death.

Matthew 6:13-14

Enter ye in at the strait gate: for wide is the gate, and broad is the way that leadeth to destruction, and many there be which go in thereat. Because strait is the gate and narrow is the way which leadeth unto life, and few there be that find it.

It's more to believing that Jesus is the Son of God, the devils believe, but they don't serve God. When Jesus returns, Satan and his imps as well as those that follow Satan's instructions will be sent to Hades. They will be sent to a place where the spirit never dies and is aware of everything that is happening. God has given us a chance to be reconciled to Him, and it's through repentance and accepting His Son as well as following the instructions He has given us to abide by.

There are many people that have called themselves to the ministry, God didn't call them nor did He send them and because of this, it has caused confusion, rebellion and many to die spiritually as well as physically.

Some ministries teach their congregation they're better than other Christians which is a lie, because if they're really born-again of the Spirit they wouldn't be teaching the doctrine of error. We all have been born-again by the same blood that was shed by Jesus. We're all in the family of God **if we have had the same blood transfusion.** We all must follow the teaching of the Bible in order to be children of God. What people fail to realize, is that God created all of us, but we all aren't children of God. Salvation brings forth sanctification if we humble ourselves before God and let Him rule in our lives. Attend-

ing church, receiving baptism is not the answer unless we have given ourselves totally to the Lord. When we do, we no longer compromise with sin in ourselves as well as others.

If attending church and receiving baptism was the answer it wouldn't be as many hypocrites. People are attending church, dancing and shouting and still need deliverance. Salvation isn't about one attending church, it's about who has your heart fully, God or Satan.

There are millions of people attending church and still bound by spirits of anger, lying, fornication, adultery, incest, gossiping, faultfinding, pornography as well as homosexuality, dancing, singing and bound by spirits that will eventually send them to Hades.

When Jesus shows up whoever is in need of deliverance can receive it. Every synagogue Jesus went to there were people there that was in need of healing, whether it was healing for sickness, disease, mental or emotional. The bible calls them unclean spirits, in other words spirits that were sent from Satan. There are many churches with congregations that needs to be delivered from satanic spirits, but because Jesus isn't dwelling in the church because they have pushed Him out with their own plans, the people are bound. Wherever Jesus dwells there is liberty.

You can be in church and bound, you can be anointed in one area, and falling in another. We all need the Grace of God to continue to live according to Scriptures. The problem is, will we be honest with ourselves and humble ourselves before God so that He can deliver us?

Every one of us need deliverance in one area or another. It could be from talking to much, joking and jesting to much. Many of us have trouble with procrastination. Procrastination is not one of God's characters and it shouldn't be in ours. God doesn't want us to be procrastinators. Procrastination can cause us to miss out on God as well as our blessings. These are just a few things we could be delivered from.

Word of Life Ministries

Everyone of us should want to hear God say "Well done, thou good and faithful servant" but if we're living contrary to God's word we will not be commended for a godly life, but a un-godly life.

We can be at church every time the door is opened and yet miss out on God because of sin. As Christians we don't suppose to practice sin. Whatever His word tells us not to do, that is exactly what He want us not to do. If He say do it, then He wants us to do it. It's just that simple!

The Bible teaches us that the man that lives according to God's word is blessed, so if we're not living according to the word of God, we may be blessed, but it's not from God. Satan will bless you to keep you bound and when he's ready for his blessing he will take it back. God's blessings will not destroy you.

Too many times Christians will say that they love God, but they will not do what He has instructed them to do. God say obey my instructions, but we want to have a "Burger King" or "have it your way" religion. Obedience is loving God. When someone tells us that they love us, we want them to show us, by spending time with us, showing admiration and compassion, if they don't, we will tell them that they don't love us. Well, God want us to show Him that we love Him, by obeying His word, showing admiration, and appreciating the death of His Son in order for us to have life.

We pray every now and then and expect God to answer our prayers immediately. The only time when He hear our voice is when we're in trouble either were making Him to be a Santa Clause to give us everything on our wish list.

Dust off the Bible when we feel like it, or when we're in trouble. God want us to commune with Him daily. How would you feel if your spouse only talked to you every other week or month? We're the bride of Jesus.

In the Old Testament God rejected the prayers of Jeremiah because of the people's disobedience. Although we may have people praying for us, if we continue in sin and don't try to seek God for ourselves, He will reject the prayers of those that are praying for us. God changes not, He is the same yesterday, today and forever!

Jeremiah 7:16

Therefore pray not thou for this people, neither life up cry nor prayer for them, neither make intercession to me: for I will not hear thee.

We can't continue to lean on someone else's prayers because God wants to hear from you, and there will come a time He will not hear someone else's prayers for you. Jesus instructed the disciples that man should pray always, this does not mean 24-24, but it's communicating with God throughout the day. It takes a few minutes to say a prayer or send up a appreciation. God dwells in the praises of His people. If Jesus came today, could you actual say you would be able to stand before Him without shame? If not, it's time to repent and pray for His forgiveness. God will save us from sickness, and diseases, poverty, and danger, but if we haven't given ourselves to Him faithfully we can be saved and yet be sent to Hades because we didn't obey His word. If we don't have the Spirit of God, we're not His children.

Romans 8:9

But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his.

Don't let people tell you just because you believe in Jesus you are saved, it's more than just believing.

John 3:5

Verily, verily I say unto thee, Except a man be born of water and of the Spirit he cannot enter into the kingdom of God.

God's Spirit must be present in our bodies, and if He isn't, repent from the heart from practicing sin, ask God to come into your heart and deliver you from every ungodly desire. Ask God to give you His desires and make you a child of God. Those of you that think you can go straight to God and by pass Jesus, you can't according to the word of God.

John 6:44

No man come to me (Jesus) except the Father which hath sent me draw him: and I will raise him up at the last day.

It's never to late to repent unless death comes suddenly and you don't have time to repent. Jesus said to watch as well as pray because He will come as a thief in the night. What thief do you know that makes and introduction?

When Jesus return, we must be prepared to meet Him, whether its by Him coming through the Heavens or the death angel. One way or another we shall go before Him, will you be ready?

Jeremiah was known as the weeping prophet. The reason he wept because he knew the wrath of God that was coming upon the children of Israel if they didn't repent. Ministers are to lead the people to God and repentance if we're not, then we're not fulfilling our commission. Too many times ministers can't lead the people to repentance because they too are in need of deliverance.

Why do you think so many people follow after cults and other religion? They want a religion where there is no law, because where there is no law there is no sin.

Romans 4:15

Because the law worketh wrath, for where no law is, there is no transgression (sin).

Romans 3:20

Therefore by the deeds of the law there shall no flesh be justified in his sight: for by the law is the knowledge of sin.

People want to attend churches where God's law is not demanded. They can do what they want to, when they want to and still be considered a Christian. People are dying without Christ in their lives. We as the people of God, ministers of God must live a life style that will draw people to the Lord.

Time out for faking and shaking the spirit is moving, but it's not the Spirit of God. God is looking for real people to serve a real God. The God that sees and hears everything. Jesus is the one that will be there when everyone else have turned their back on you. God will never leave you or forsake you.

Daily God is calling his people to repentance, and we will walk in church or don't attend church at all and play as though we have a relationship with the Lord. God is not smiling at our hypocrisy.

We don't pray like we use to, we don't fast or read the word the way we use to and we're wondering why we don't hear from God, can't feel His Spirit. It's because we have become world conscious instead of God conscious. We don't know when death will knock on our door, but whenever it comes we shall see Jesus, and we will see Him as faithful servants or as workers of iniquity.

There use to be a time when sinners would reverence the church as well as the people of God, but they see how we treat each other, the life style that we live is contradictory to what we teach and preach and they don't want to have anything to do with God or us.

Many of the churches are having social gatherings, the Spirit of the Lord is nowhere in the place. The congregation is as Sodom and Gomorrah. We're competing with gifts God has giving us, drug dealers' customers are standing in the pulpit. Women that confess to be Christians are easy lays, and we're wondering why people don't pay attention to our confession. They don't want to serve a God that can't deliver them. That's what we're showing them when we live in hypocrisy. We're denying the power that God can heal and deliver. What's the use of serving a God that can't deliver you from a life style of death? There is nothing God will deliver us from when we have a heart desire to be delivered.

Many baby Christians have returned to serving Satan because the supposed to be Christians, don't have enough love nor the anointing to assist them in their walk. We suppose to help and encourage one another. Yea, we're all may be going through trials and tribulations, but when a person needs a listening ear, they don't want to hear that! They want prayer, they want to see love in action.

As Christians we should have enough of Jesus in us that people we see a difference in our life style. When Jesus is present in our lives, He will manifest Himself the same way Satan manifest himself in his people.

The world system is in a shamble and we as the people of God need to pray until we see a change in our world system. Many of the things that are going on in the world could be stopped, if we would pray and turn from our wicked ways.

Some of us are still praying for five or ten minutes, been saved for over twenty years. Yea, I know it's not about how long you pray, but if you're going to contact God, you're going to have to go through a realm of evil spirits before you reach Him and a five or ten minute prayer will not bind a legion of demons.

Many of us are schizophrenic in the Spirit. Hearing many voices, but cannot distinguish between the voice of God, Satan and our own spirit. Stagnated in the Spirit because we're still listening, watching, and going places God has instructed us to say away from. Sometimes we can't fellowship with other Christians because they are unstable in their walk with the Lord. You can't hang with everyone and expect to grow when you know that their life style does not agree with God's word. God has instructed us if a brother is not living according to His word, don't have fellowship with him. This does not mean you ignore them, but you don't hang with them.

Judgment is going to start at the house of God.

1st Peter 4:17

For the time is come that judgment must begin at the house of God; and if it first being at us, what shall the end of them that obey not the gospel of God?

This gospel is for every race, color, and creed. It's for the poor, the wealthy, the intellectual as well as the illiterate. It's God commandments for us if we're planning on entering into Heaven. If we're following any other doctrine other than the Gospel of Jesus Christ, Apostle Paul states "A person that teaches another doctrine is accursed as well as the one that lives to a doctrine that is in error".

Many ministers are no longer preaching holiness. Too many have gotten caught up with a membership numbers and money instead of being concerned about souls. God is not concerned about how large or how many people we have in the ministry, He's concerned about how many souls did we detour from going to Hades.

Satan is out to kill, steal and destroy as many as he can. Satan does not discriminate, He's not concerned about your financial status, education status, or what's your nationality. If it was left up to him there would not be one person that would serve God because he would see to it, but thank God for Jesus. Thank God for Grace, because if Grace was not here, the life style that some supposed to be Christians are living they would have been gone along time ago.

People of God, it's time to get real, it's time to fight the good fight of faith and stop falling down and can't get up!

Let's pray until we see the manifestation of God's power working in and through us. Satan is not playing and we can't be playing with him.

God never changes, but we change. God blesses us to prosper and we forget who allowed us to get wealth. We forget where the anointing comes from, as though we had power of our own. We begin to live in ungodly pride and forget that God will give His glory to anyone. If it was possible, ask Nebuchadnezzar, he will tell you that God don't play. Many time people are suffering from emotional and mental disorders because of ungodly pride.

It's time to turn to the Lord with our whole heart. Persistent in prayer, reading and studying the word of God. Studying the Bible isn't just for ministers, it's for everyone that consider themselves a Christian. In order to obey the Father, we must know what he expects out of us, and if we don't know, we can't comply to His instructions.

Spend time in reading God's word, it's Him that is speaking to us through His word. God does not always commune with us in a way that we may hear Him, but He will use different ways to speak to us. It could be through preaching the word or by reading His word. In order to know when God is speaking to us by whatever means He uses, we need to know that it is Him.

Sometimes you can turn on the radio and just as you turn on your radio, you will hear something that you have talked to God about, and you will know in your spirit that it is God speaking to you.

God is answering the prayers of His people as we pray according to His will, but we must understand what is God's will in order to pray according to His will. We don't want to be praying on a hope and a chance that He might hear and answer our prayers. We want to pray effective prayers and that comes by giving ourselves to Him totally as well as praying.

People of God it is time to pray, its time to stop playing and get out of a state of complacency. Our homes, children, bodies, finances have been attacked and it's time for us to recover what has been stolen. Holiness and prayer is what's going to make Satan loose our goods.

If we're not binding anything by prayer, nothing will be bound. Only when we bind it on earth, shall it be bound in heaven. Only when we loose it on earth, shall it be loosed in heaven.

We can't bind or loose anything if we aren't praying consistently and persistently. We can set many people free through praying and fasting. We could loose ourselves from Satan if we would get into our prayer closet the way we should. We wouldn't need to be always in a prayer line, we would have the anointing to loose ourselves as well as others and everything that pertains to us. When we obey God, He will answer prayer! Check out your prayer life, see what's missing, are we really being persistent in prayer or are we praying every now and then? If we desire to see the move of God in our lives, much prayer is needed; prayer once a month will not be suffice.

We have lost our focus. We can't take nothing with us when we die. Everything that we tried to accomplish here will be left here for someone else to enjoy. What will we say when we stand before the Lord? Will it be I was to busy trying to work or get an education, or will it be my spouse and children kept me from complying to what you wanted me to do? There will not be any excuses when we stand before Him. Are we praying when He tells us to, are we fasting when He places an unction in our spirit to fast or study His word. Are we visiting the sick and shut in? Are we giving to the poor, are we giving ourselves completely to Him? ARE YOU READY TO MEET HIM?
