REPENTANCE AND PRAYER BRINGS HEALING

2nd Chronicles 7:14

If my people which are called by name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

Land— Earth, ground, soil, country, field, region, nation, realm, sphere.

Sphere—An area of power, control, or influence, domain.

Adam and Eve were given authority to rule and dominate the earth as well as everything that was on the earth, but after they disobeyed, dominion and power was given to Satan. Now he dominates, rules and uses the power of influence to turn people away from God.

Pharmaceuticals is a billion dollar business world wide because sickness and diseases have taken control of the minds and bodies of God's creation. Poverty use to be known only in foreign countries, but there are people here in the United States that are poverty stricken and homeless.

Because sin has engulfed the earth, people are dying and suffering from mental, emotional and physical illness. The homeless, unemployed as well as the working poor can agree on the lack of finances.

Farmers are producing just enough to keep them out of the red. Although political leaders think they are running the world, it's not them, but the god they serve. Who we serve will be our god, our leaders are serving the god of wealth, pride, self-will and the world is in a chaotic state.

Righteousness exalteth a nation, but sin is a reproach (shame or disgrace) to any people. Our leaders have legalized murder by killing unborn babies. Secular school are teaching that God's creation is a reproduction from apes, the world was created by dust. Homosexuals have the right to marry and adopt children and the child is confused with their gender. Our children are used as sex tools, billion of dollars is spent on the internet, women disrespect their bodies by selling it to sick-minded people.

Spiritual leaders are more concerned about how large their congregation is rather than how many of their congregation will enter into heaven. Everyone you talk to now is a Christian, but you don't see the characteristics of a Christian. If we're practicing the opposite of

of what the Bible indicates what a Christian is then we need to read the Bible; ask God for revelation and then apply our life daily to the word of God.

Every nation have a god, the God that created the Universe is the God of Europe, Australia, Africa, Asia, South America, North America, and the Antarctica and He changes not. Everyone has their god, but is it the God that can speak life and death, is it the God that can create and destroy, is it the God that can raise the dead, heal the sick and open blinded eyes?

They desire a god they can call on but never can make a change in their situations. They desire to serve a god that they think can protect them, but can't correct them. People want to serve a god that allows them to do what they want to do, when they want to do it and who they want to do it with, and without any reprimands.

People want a god they can serve when they feel like it, and don't have any stipulations, but God is calling for those that know their God to pray and intercede for those that is rejecting a loving God whose Son is preparing to return in wrath to a world that denies His existence, reject His teaching and bylaws. The land (earth) needs to be healed, but in order for healing to come forth there must be a turn around, a time of repentance and seeking God anng

and not stopping until we touch Him. Just as Jesus healed the woman with the issue of blood, He wants to heal the issues of His people. Your issue maybe addiction, debt, bad marriage, un employment, mental or emotional disorders, whatever the issue maybe no matter how long you may have had it, Jesus can heal it.

Deuteronomy 32:39

See now that I, even I, am he, and there is no god with me, I kill, and I make alive; I wound, and I heal; neither is there any that can deliver out of my hand.

God instructed the children of Israel not to serve other gods, but when they begun to fall away from God's instructions, the very people they forsook God for were the ones that became their enemy. God does not harm us Himself, but He will take His protection from us because of our disobedience and let Satan bring havoc in our lives.

When Jesus brought the children of Israel out of Egypt, He brought them out with a blessing, they didn't leave Egypt in poverty. Forty years they walked in the wilderness, God fed and clothe them, sickness wasn't in their body. The bible states some died, but it wasn't because of sickness or disease, it was because of their disobedience. God let serpents bite them, plagues came upon them, but when they repented and turned from their sin, God healed them, delivered them from their enemies. When the

children of Israel made up their minds to do it God's way and not their way God always came to their rescue.

Repentance is not just saying "God I'm sorry" and continue to stay in the mess. It's a change of mind and heart to follow Jesus and the instructions God has given us. Different cultures have rejected the Lord and made their own God. God is not an object that man created nor is He flesh and blood, He's a spirit and those that worship Him, must worship Him in Spirit and in truth.

We can't continue to practice sin and expect God to bless us in our mess. We teach how to receive prosperity, how to reconcile with our spouse, what to do to get a mate, how to keep your mate. Well what about teaching how to keep Jesus in your temple, because He doesn't stay in a unclean temple. Your body is your temple and whatever you do with your temple you are doing it with Jesus, and when we continue to disobey what God has instructed us to do, the Holy Spirit will leave the temple. The Bible states before the return of Jesus people would be turning away from sound doctrine. If you look at the Christian arena now, you can't tell the saints from the secular world. We dress and talk like them. Music no longer ministers to our spirit, but to our flesh. God does not communicate with us through our physical bodies, He communes with us through our spirit. A good way to tell whether or not we're in the Spirit; whatever we're doing, if our flesh is enjoying it, then we

know we're in the flesh and not in the spirit. If our spirit is rejoicing then we know we're in the spirit and not in the flesh. Flesh doesn't want to pray, fast and read God's word nor does it want to submit to the authority of God. Flesh doesn't want to praise God whenever things have been thrown at you including the kitchen sink.

We are spirit beings living in a physical body. Who we serve will determine who will dominate; the spirit or the flesh. The spirit can't get sick nor can it die, but the flesh can. Flesh must come subject in the presence of God. Flesh doesn't like anything that is spiritual. There will be times people may not be healed, but God will heal them emotionally and mentality to go through. Some may not receive physical healing, but they will receive spiritually healing. God wants to make us whole, wholeness indicates we are receiving and walking in everything that pertains to us. God is a healer, He is the Lord that healeth thee. No sickness or disease is mightier than our God.

In order to receive what God wants us to have, we must submit ourselves totally to Him. Then we must also be willing to fight every demon that try to come against what God has said is ours. God wants us to take dominion over what belongs to us. We can't take dominion if we're still shaking and faking. Spiritual authority comes with submission to God's word.

Jesus came to reconcile us back to the Father. He died that we

might live. He gave us the authority to use His name and to apply His blood against the adversary.

God has given us everything we need to live a godly and prosper life. It's our decision whether or not we will receive His gift. We must fight the good fight of faith in order to overcome Satan and our self-will.

Everyone has sinned, but we don't have to practice sin. Whatever the Bible says do, we must do it in order to have fellowship with God and the Son. We can't do it on our own, but when we ask for help to obey His word, God will give us the grace to do so. Sin isn't just fornication and adultery. Sin comes in the form of unforgiveness, envy, jealousy, worry, fear, doubt, selfishness, backbiting, these things can send you to hell just as quick as adultery or fornication and homosexuality. Sin is sin and its not categorize. Many have stop attending church because of the pastor or because someone they thought was living right and they weren't, that's not a reason for you to stop attending church. God didn't tell you to attend church to see whose living right and who isn't. He said forsake not to assemble yourself at church. You suppose to be going to hear a word from God through the minister. If the minister isn't living according to God's standard, pray, ask God to send you where the minister is preaching what he's teaching. Don't you sin because they sin.

We have to know God for ourselves. Daily prayer will give us

the desire to submit ourselves to God. It's prayer that will change lives. You can't have a consistent prayer life and stay the same nor can you continue to read God's word and it doesn't affect your life. In order to succeed in life, one must apply themselves to achieve, it's the same thing spiritually. If you only fellowship with God on Sunday or when trouble is in your life, that's not a relationship nor is it fellowship. Talking to God should be as often as we talk to our spouse and children. If you talked to your spouse or children once a week or month, what type of relationship you think you would have with them?

We all need to repent in areas we know we haven't been faithful in. Repentance is being sorry for what we have done and asking God to forgive us. Once we repent, don't continue to do the things you have repented of. It is time for prayer, and repentance. The times of tribulation is here and it will get worse. The faithful and persistent prayers of the righteous will lead many to salvation. Souls need to be saved, back-sliders need to return to the covenant. Hypocrites need to get real. The diseased and sick need to be healed. Repentance needs to come upon the people and the only way it will come we must pray it upon them, we must intercede for those that will not submit themselves to God. Intercession is needed for those that will serve God and reject Jesus, blinded by false doctrine and religion. Repentance and prayer is needed for those that have been

hurt by church members, deceived by the ministers. Substance abusers need prayer, prostitutes, homosexuals need prayer. As we dedicate ourselves to God and prayer we will see a change in our environment, homes, schools, marriages, finances, our physical bodies, economics, soul winning will be more effective rather than just placing their name on a role they will be written in heaven.

God is still the God that never changes, we must change in order to see a change in the lives of His people. We must pray and repent and then bring others in the spirit to the altar of repentance.
