## POWER OF AGREEMENT

### **M**atthew 18:19

Again I say unto you, That if two of you shall agree on earth as touching any thing that they shall ask, it shall be done for them of my Father which is in heaven.

**Agree—To grant consent, to come into or be in one accord. To be in one opinion. To come to an understanding or to terms.**

The first operation of agreement was when God created the sun and the moon. The sun was to rule the day and the moon to rule the night, the agreement was, they both were to give light.

Agreement is powerful in the spirit as well as the natural. When two or more people make a business deal and one breaks the agreement, it's called a breach of contract. The person that broke the agreement may have to pay a fine or be sentenced to jail. Now, if agreement in the natural is powerful, you should know agreement in the spirit has to be much more powerful than the natural!

Where two or more people are praying for the same thing that is a guaranteed answered prayer according to the above scripture. Two is always better than one. When God created mankind, He created a Helpmeet for Adam. God instructed the two of them to take dominion over the earth.

God didn't delegate authority until He created the female, Adam's wife, then He delegated **them**

to take dominion.

### **G**enesis 1:27-28

So God created man in his own image, in the image of God created he him; male and female created he them.

**And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.**

Although they were husband and wife, God gave the two authority to rule and dominate the earth. This is one of the reasons why Satan attacks marriage in both Christian and secular marriages, because Satan knows if he can stop the agreement between the two, they will never be able to accomplish their goals and dreams as a couple. Where there is disunity there is division, where's there's division you can't succeed whether it's natural or spiritual. Spiritual agreement is a terror to Satan and demons.

If Satan can stop a husband and wife from praying in agreement, he can continue to bring havoc in the marriage as well as the earth. When a husband and wife pray together it strengthens them individually and as a couple. It gives God the opportunity to manifest His word through our prayer of agreement.

When God instructed Noah to place two of kind in the Ark, He was looking at the increase of what two can do!

If Noah would have brought in another animal opposite of the kind God instructed him to, the mixing of different species together would have produced an abnormality, it wouldn't have survived, because it would have been against God's law of nature. It's the same way when we're praying with someone and they're agreeing with their mouth, but the heart and spirit is in disagreement, it makes the prayer abnormal, ineffective, because there isn't any agreement; words spoken, but not in agreement. When two are in agreement you will see the manifestation of the power of agreement in operation sooner.

Agreement is when you're so in unison, it's as though it's one. When King Solomon and the children of Israel came to praise the Lord in the temple, everyone was in position to carry out their assigned duty. The priests were in place, the singers and trumpeters were in place, and when they came together it sound as though it was one, they were in agreement.

### **2nd** Chronicles 5:13

**It came even to pass, as the trumpeters and singers were as one, to make one sound to be heard in the praising and thanking the Lord.**

When they came together in unison they were as one and the Spirit of the Lord came into the place so strong that the priests couldn't minister because of the

## POWER OF AGREEMENT

Glory of the Lord. As they praised God, their minds, hearts and spirits became one as they sought to reach God; and He filled the place with His Glory because they were in agreement.

Moses told the children of Israel that God had given them power and that one can chase a thousand and two could chase ten thousands. In other words making the enemy run from you, not you running from the enemy because the Lord is on the side of the believer.

### **1st John 4:24**

**Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world.**

Two people praying against spiritual wickedness in agreement can chase ten thousand of demonic spirits from operating in a realm and in the lives of people.

Agreement whether it's positive or negative will manifest the power of agreement. Many times the reason a church isn't growing or being successful as it should be; it's because two or more people in the ministry don't want to see the ministry grow, they don't desire for the ministry to be successful, and as they are in the power of agreement, the ministry will struggle and not reach it's full potential. That is why it is so important for those that are in ministry to be watchful and have the spirit of discernment in order to know who's laboring with you or against you!

Nehemiah was a man that loved God, when he heard that the walls of Jerusalem were broken and the gates destroyed, God placed it on his heart to rebuild the walls, it took two men, Sanballat and Tobiah to oppose what Nehemiah was trying to do. The two were in agreement to try to prevent the walls of Jerusalem from

being built. Sanballat and Tobiah lead others to try to fight against Nehemiah and the others that were building the wall, but the word of God said they prayed, and not only did they pray, but they watched as well as prayed:

### **Nehemiah 4:8**

**They all plotted together to come and fight against Jerusalem and throw it into confusion. So we prayed to our God and stationed a guard because of them day and night.**

The restoring of the walls of Jerusalem shows the power of agreement both negative and positive. It took two to try to prevent the restoration, and it took two or more to pray against their plot, both were in agreement.

Many times the Spirit of the Lord can't be ushered in the church because two or more people sitting in church with their bodies in the place and their minds, hearts and spirits are somewhere else. If we want to see the move of God in our churches as well as in our homes and communities, we must begin to come in agreement by praying and desiring to see the manifestation of God in operation in our circumstance. God is already in agreement with His Word. He's waiting on us to come in agreement with one another and His Word.

No matter what comes against us, we as Christians must believe the Word of God. The Word of God is more powerful than what we see, hear or think even the situation or circumstance we maybe in.

If we tell the truth, many of the circumstances and situations we're in, it's because we agreed with what was going on, if we weren't in agreement we would have begun to come against it with the Word of

God. The Word of God is spiritual, meaning it's for ever and some of the things we're facing is temporal; sooner or later it has to go, and we can make it go quicker by coming in agreement with the Word of God.

Fear cannot control me, if I believe and come in agreement with the Word of God.

### **2nd Timothy 1:7**

**For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.**

Depression has to flee, when we get our minds, spirit and heart lined up with the Word of God.

### **Philippians 4:8**

**Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.**

The reason sometimes depression can have such a stronghold on someone, it's because they are thinking on the wrong things. Anger cannot survive if we don't continue to think on the things that made us angry. When we agree to whatever Satan wants to give us, we have given him permission to do so, we have to fight Satan and demonic influences with the Word of God. In order to fight with the Word of God, we must be a doer of the Word of God. Speaking scriptures without living according to what the Word of God has instructed us to live will cause the scriptures to be non-effective.

## POWER OF AGREEMENT

If we want to see a manifestation of the Word of God in our circumstances, then, we must begin to make our lives come in agreement with the Word of God.

### **1st John 2:15**

**Love not the world, neither the things that are in the world. If any man [woman] love the world, the love of the Father is not in him.**

We cannot continue to be partakers of the world and think we have dominion over the situations and circumstances in our lives. There is nothing that can come upon us and defeat us, if we are abiding in the Word of God.

### **John 15:7**

**If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you.**

God's word will never returned to Him void. He has an all seeing eye, He knows what you're going through as well as what you're planning to do before you do it, but if you can stand still and see the salvation of the Lord, you will see your ending being better than your beginning. God has never nor will He ever put us through a test that He hasn't given us the Grace to conquer it.

No matter what you're going through, God has an antidote for it in His word. There isn't a situation or circumstance you maybe in, that God doesn't have an answer to it in His Word. The trouble is, the majority of the people that are calling themselves Christians, don't know the Word of God. Salvation is our life insurance, the Bible is our policy, before cashing in the policy, we need to know what comes with the

life insurance. Peace comes with the life insurance. Although you maybe going through tests and trials, through it all, you can have joy, if your spirit and your heart are agreeing with the Word of God.

### **Isaiah 26:3**

**Thou will keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee.**

Life situations, can't triumph over God's Word. We must begin to see with our hearts and spirits that God is bigger and greater than anything or anyone that can come against us when we come in agreement with the Word.

### **Mark 11:24**

**Therefore I say unto you, What things soever ye desire when ye pray, believe that ye received them, and ye shall have them.**

You want to see God move, begin to pray with someone that's in agreement with the Word of God and what you're praying for. There must be unison, one mind, one spirit, believing and praying for the same thing!
